

# BODYCOTE POWDERMET®

HIP enables freedom of design and improves material properties, while reducing lead time, post processing and material waste.

## Redefining component manufacturing

**Bodycote is the world leader in  
Hot Isostatic Pressing, with a  
network of over 50 vessels globally.**

With decades of experience providing  
HIP services and near-net-shape  
HIP product fabrication, Bodycote  
has the capability and capacity  
to go beyond the limitations of  
traditional manufacturing.
